Subject: NC Department of Natural and Cultural Resources - Museum of History Project

Hi HUB Advocates,

Please share this email with your construction contracting community. The Construction Manager at Risk project is an estimated \$200M or more in cost. Pre-Proposal Date: Tuesday, February 12, 2019, 10:00 a.m. at the NC Museum of History, Longleaf Classroom.

Scope: The new building will house approximately 190,000 SF of gallery space, educational space, a new auditorium, support services space, a restaurant and a conference center. A pedestrian bridge over Wilmington Street will connect the new addition to the existing museum structure. The remainder of the site will support a below-grade parking structure, outdoor interpretive activities as well as a new drop-off area for students and other groups that regularly visit the museum.
